Ignite The Spark Of New Era

Winhill Global School started way back in 2014 when Late Shri Naresh Kumar Kala S/O Late Shri Geetaram Kala registered a society established in May 2013 in the name of his beloved mother Late Smt Kalawati Kala. The society decided to open a school. It was his childhood dream to open a school. He invested his humble capital and started the school in a single floor building with pre primary section which is called as "House Of Knowledge". Now the dream is full on wings and school is one of the best school in Tunwala, Dehradun. School is affiliated with ICSE board, New Delhi.

CHAIRMAN AND PRINCIPAL DESK

Winhill Global School is situated at the foothills of Himalayas in the northern part of the India, a small and beautiful village called Tunwala, located in the heart of Uttarakhand state, Dehradun city. A world famous city for its educational institutions. Our school includes a preschool campus for **Kindergarten, Junior wing & Senior wing**.

At Winhill Global School, we value cultural diversity and develop differentiated teaching and learning programs which enables all the students to feel successful and supported in an inclusive environment.

As a community, we promote the values of respect, tolerance, inclusion and excellence. Classroom teachers provide targeted education with explicit instructions. Specialized teachers are employed to teach individual student and differentiated groups. Qualified teachers providing quality learning is a key aspect of our school's philosophy. As such coaching and mentoring combined with a professional learning community approach to sharing ideas, strategies and resources continues to improve the quality of teacher's pedagogy.

Student's well-being, health and physical education are incorporated into our social skills and **Active living skills**.

On site facilities include a large covered assembly area/Cricket/Football/Volley Ball ground/Judo Karate/Kick boxing, etc. games arena.

DIRECTOR'S DESK

Educational institutions all around the world along with the aspirations of students and parents have undergone critical transformations with time.

At Winhill Global School we aspire to provide top quality education to all, with a well-balanced and relevant curriculum. At Winhill Global School we believe that true education is a right blend of Intelligence and character. We educate our students to maximize their innate potential along with positive social behaviour, thus developing them as global citizens.

We value regular contact with parents / guardians, and regard the home-school partnership as an essential part of the education process. We are always looking for new ways to involve parents in the life of the school. We are always open to refreshing views and suggestions which can add more value to the students of our school.

ABOUT SCHOOL

Winhill Global School is an English medium school, affiliated from ICSE Board New Delhi and was established in 2016 by **Shri. Naresh Kumar Kala**.

This school is in Tunwala, Dehradun. It is a school with green surroundings. Trees and plants are in the campus. The school rapidly grew under the management of society in the sector of education. Here we are focusing on Learning of students. They learn everything with fun and in form of entertainment. We pay special focus on co-curricular activities like Debates, Quiz, Elocution, and Essay writing and Drawing and Painting.

School is best in both Online and Offline modes.

MISSION & VISION

At Winhill Global School a phenomenological study was taken, giving students the opportunity to voice their experience. We aim at providing comprehensive training for citizenship to the students and seek to nurture in them innovation and ability to think differently with rational creativity appreciation of sustainable socio- cultural values and to feel. All this is done through a set of well define vision mission and well-enunciated values which are woven into two educational system and processes. Vision, Mission and values of the schools are as under

VISION:

To produce professionals who are:

- Critical thinkers
- Creative planners and
- Effective practitioners.

MISSION:

Creating environment where the desire to seek excellence becomes the driving force in the lives of students and teachers and is supported by ethos where learning is regarded as a joyous process by one and all. Fostering environment which will produce citizens for whom correct moral values such as honesty, integrity, respect and concern for others becomes the foundation of their lives. Keep leading by example by setting the highest standards in every aspect of life both within and without the school.

VALUES:

Strength of character (honesty and integrity).

- Respect and concern for others.
- Quest for knowledge towards excellence.
